Recap of the Fall Marching Band season, it was great.
DY Band Parents were ahead of budget \$6,000 heading in Winter Percussion season.

Winter Percussion Report: John Jamison

We are off to a great start – students are instructing and helping each other.
Music will be ready before winter break.
Website will have Winter Percussion show music available in mp3.

We are awaiting pricing information for the Dayton trip.
Leadership Legacy – the students are giving back for the health of the program.
Communication is key!

Winter Percussion Report: Alex Pendleton

Winter Percussion has over 40 students.

Leadership along with former freshman/sophomore are teaching also.

Alex is the general manager of Winter Percussion he handles administrative stuff, buses and NESBA.

Trying to keep the pricing down for Dayton, hopefully around \$600 for the April 19th trip.

Fundraising is available by selling in the Pops program, forms are on the website.

Fundraising may be done with the Cash Raffle \$50 to DY Band/\$50 to Student account.

What are our advertising options?

There are some transportation options for winter percussion/guard.

Small guard may use a van rather than buses.

Options for transporting heavy floor and props are being checked.

Winter Percussion students won't fit on one bus.

Looking at one coach bus vs. two school buses.
