The director's goal this season is to build this program. We have a young group right now.

We will participate in competitions held by the New England Scholastic Band Association with the expectations for our students to have fun and gain experience in performing and competition.

Mr. Jamison would like the students to travel to Dayton, Ohio for the WGI Percussion World Championships. Our students will not compete, but will be able to witness performances by some of the best percussion groups in the country. The dates for the event are April 19-21, 2012.

John and Pauline have been working on the details of this trip. This will be both a fun and inspirational trip for our group. Hotel and transportation cost would be \$219.00 per person. This price does not include food and activities.

Available fundraising for the trip: Program ads for Pops Concert

Sell more than two cash raffle tickets and all profits will go towards  
the cost of your trip.

This trip will have to be approved by Mr. Jenks, the Superintendent and the DY school committee.
