## WORLD CHAMPIONSHIPS SPONSORSHIP

### Dear Friends of the D-Y Winter Percussion:

The D-Y Winter Percussion program has a strong reputation of being a very successful and vibrant part of the Dennis-Yarmouth community and proudly represents our school at many local and national events and competitions. We can all agree that the D-Y Winter Percussion inspires school spirit, enhances community image, and gives our students an experience like no other.

In April of 2024 the DY Winter Percussion will be traveling to Dayton Ohio for the WGI World Championships. While the school pays for our "regular season", funding this trip to world championships is the responsibility of the students and the DY Band Parents Association.

We are reaching out to our business community seeking your help to support this great organization. Through generous donations from people like you, these students will have the opportunity to perform on the world stage and represent our school and community. We thank you in advance for your generous support.

Sincerely,

The D-Y Band Parents Association
